THE GEOMETRY OF LOVE wins TOP HONORS at Houston Worldfest

The Houston International Film Festival (Worldfest) selected **THE GEOMETRY OF LOVE** to receive a **Platinum Award**, their top honour, for **Best Documentary (Religion & Ethics)** a Platinum Award for **Best Music Documentary (Mike Shields)**, and a **Gold Award for Best Director (Documentary under 60 minutes)**.

The Houston Worldfest receives over 4500 entries from all over the world and their documentary section is their most heavily subscribed category. To be winners in these categories is a very special honour.

Congratulations again to **Craig Wroblecki (Photography) Frank Russo (sound) Mike Shields (music), Jamie Malloch (editor) Margaret Visser (Author)** and to everyone that worked on the film. We would also like to extend a special thank you to the Congregation of S'Agnese fuori le Mura, the Delia Family, and Massimo Cristaldi of Cristaldi Pictures in Rome for their support of our project.

It was truly a team effort and we had a great team!
